

(Happy New Year, happy New Year!)

This is my New Year's resolution

When my mother-in-law begins to yell and shout

Through the window I would like to throw her out

But I resolve not to do it. Here is why:

I'm afraid of hitting someone passing by

This is my New Year's resolution

When I'm at the movies watching a love scene

And a lady's hat is blocking half the screen

I resolve not to shout "Take off that hat!"

I'll remove it gently with a baseball bat

This is my New Year's resolution

When I take a lovely lady out to eat

And she orders caviar instead of meat

I resolve to let the lady have her fill

When I'm sitting with my wifey on a bus

And a dear old lady stands in front of us

I resolve to be a gentleman discreet

I'll politely offer her my wifey's seat

This is my New Year's resolution

(Hey! George Rock, how about your New Year's resolution?)

When my mother says come in, it's time to eat

And I keep on playing games out in the street

I resolve to rush right home now when I'm called

Coz' my pop just bought a hairbrush, and he's bald

This is my New Year's resolution
