

# During Golden Week...

**Part A:** Look at the table. Look at the sentences. Change each sentence into a question. Write the question down.

**Part B:** Go around the room. Leave your paper at your table. Ask the questions to different people. When someone answers 'yes' return to your table and write down their name. See how many different names you can get.

Find someone who had an exciting Golden Week.	name:
Find someone who went somewhere special.	name:
