

# Fine Fine Fine

Sung by Pete Moser and Adrian Mitchell

## Chorus:

She's fine fine fine

Call her the Titanic of the White Star line

She's fine fine fine

Call her the Titanic of the White Star line

She weigh - 66, 66,000 ton

She weigh - 66, 66,000 ton

She got - 50,000 horse power

She got - 50,000 horse power

## Chorus

And she make - 24, 25 knots an hour

She make - 24, 25 knots an hour

And she's shoving black smoke at the overhead sun

Shoving black smoke at the overhead sun [3 times]

## Chorus

She got 60 foot funnels

Three million rivets

Everything the human race could afford [4 times]

## Chorus

She got 2,207 people on board

2,207 people on board [3 times]

*Wondership speeding to the meeting place*

*There stood an iceberg with a grin on it's face*

*It opened the Titanic like a sardine tin*

*The people fell out and the water rushed in*

And she's fine fine fine

Call her the Titanic of the White Star line

She's fine fine fine

Call her the Titanic of the White Star line

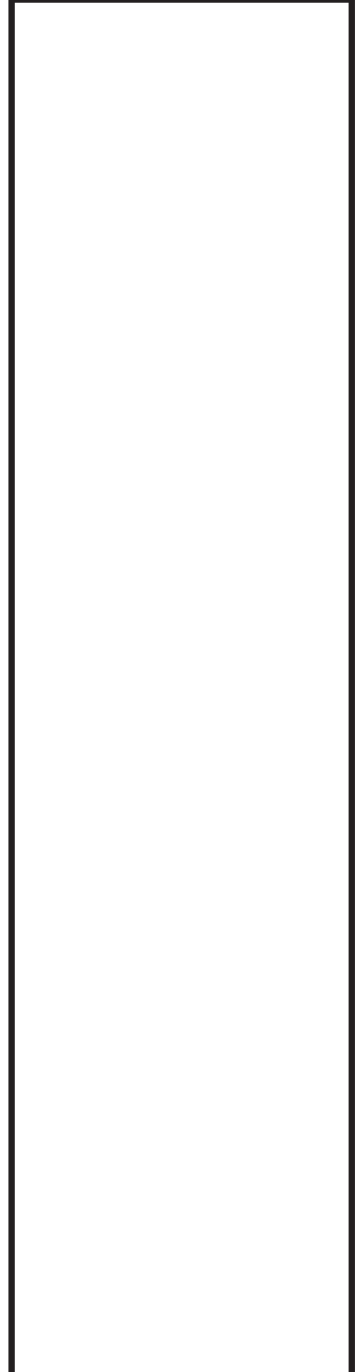

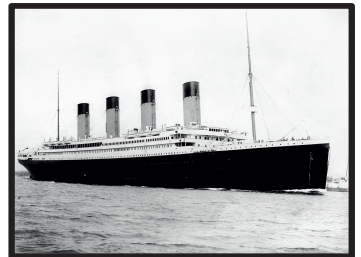

She's fine fine fine

Call her the Titanic of the White Star line

She's fine fine fine

Call her the Titanic of the White Star line

She's fine
